Care Worker

Description

Company Description

Here at Total Care North Wales Ltd, we work alongside individuals and their families to plan and support personal goals. We have been recognised for our high standards and quality services over the last 5 consecutive years through our awards. Operating within Rhyl and Prestatyn regions of Denbighshire County, in lovely North Wales.

Total Care North Wales Ltd is a Registered Provider with CIW to provide care and support to younger adults, older persons and those living with Mental Health illnesses (including Dementia), Learning Disabilities, physical illness and End of Life Care.

Our awards are a credit to our high standards and the commitment of all staff. The focus of the company is to deliver high quality services within the community. Support is offered for staff to progress into a career, through various qualifications.

Our management team work closely with all staff members to ensure their professional and personal development within the company, becoming part of our caring establishment and achieving their goals, delivering person-centred services to enable individuals to remain as independent as able to do so.

Alongside our care team, we offer various domestic services within the home, including laundry and ironing. Also shopping and sitting services to support family carers looking after their loved ones.
